## Fun Facts and Helpful Hints

The Dog Days of Summer are named after Sirius, the Dog Star, in the constellation Canis Major, which shines most brightly during this period. The ancient Greeks and Romans believed the star was responsible for the heat and blamed it for periods of drought, sickness, and discomfort, or as we know them, bad hair days

With the Fair just around the corner and Labor Day fast approaching Remember to use lots of sun screen and stay

My name is Patty Lewis and I am your Residential Realtor. I am with Century 21 Yarrow and Associates. I have lived in the Antelope Acres for about 8 years and I love this community! I am married to Joe Lewis and have three beautiful kids Miriah 20, Caleb 15, and your Jr. Miss Antelope Acres Hailey 11. .

Our community is growing and it is always nice to know who our neighbors are. Just like you I choose to live out here because of the nice "**small town**" atmosphere which gives us a sense of comfort.
